Buy as a Package and Save!

Located in the heart of Richmond, Compleat Interiors has been providing stylish contemporary furniture and furniture packages since 1994. Compleat Interiors stocks an extensive range of quality furniture, for everyday living as well as the more sophisticated, and cutting edge designer furniture, clean, minimalist but always memorable.

Our range is constantly updated to reflect new designs and current trends. Unlike other furniture showrooms, we offer a comprehensive service, which provides a one-stop shop perfect for people who need to furnish their inner city apartment or their contemporary or modern homes.

Our Furniture Packages are individually created to suit your space, budget and style, from the Starter Package to the High-End range.

Our versatile packages cover everything you need to furnish your home and create a lifestyle from living room furniture, sofa beds, coffee tables and buffets, bedroom furniture, dining room furniture, TV units, entertainment units, bar-stools, occasional furniture, to outdoor furniture and your home office furniture.

We also include electrical and household products such as crockery, cutlery, saucepans, toaster, kettle, etc.

We now offer Site visits and Showroom consultations (by appointment only). If you require any further information about our in-house interior design service or would like to make an appointment with our interior designer please contact us.
